WealthTrust Asset Management's website (www.wealthtrustam.com) is limited to the dissemination of general information pertaining to its DBS portfolio management services, together with access to additional investment related information, publications, and links is intended for investment professional use. Accordingly, the publication of WealthTrust Asset Management's web site on the Internet should not be construed as a solicitation to effect, or attempt to effect transactions in securities, or the rendering of personalized investment advice for compensation, over the Internet. The Firm does not make any representations or warranties as to the accuracy, timeliness, suitability, completeness, or relevance of any information prepared by any unaffiliated third party, whether linked to this website or incorporated herein, and takes no responsibility therefor. All such information is provided solely for convenience purposes only and all users thereof should be guided accordingly.

Past performance is not indicative of future results. Therefore, no advisor or client should assume that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by WealthTrust Asset Management) made reference to directly or indirectly by WealthTrust Asset Management in its website, will be profitable or equal the past corresponding indicated performance level(s). Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for a client or prospective client's investment portfolio. Historical performance results for investment indices and/or categories used as benchmarks are for informational purposes only. One cannot invest in an index. Performance of the DBS portfolios is reflective of a standard institutional management charge and generally does not reflect the deduction of transaction and/or custodial charges, the deductions of an advisor's investment management fee, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results. No client or prospective client should assume that any such discussion serves as the receipt of, or a substitute for, personalized advice from their investment professional.
